## What to do if someone makes a complaint about you?

- DDD Perth organisers and volunteers will have a conversation with you.
- Please listen to the complaint with an open mind and consider the effect rather than intent of the behaviour in question.
- Don't be dismissive of the complainant.
- Understand any advice given on how to act in the future. Please feel free to ask questions and discuss this with us. This can be uncomfortable for every one and we appreciate your efforts.
- Comply with the directions of the DDD Perth organisers and volunteers.

**We believe everyone here is coming from a good place, and so we expect that you're learning, just like we are.**
